Why Invest in a Jones Home?

VALUE

- The Jones Company strives to continually offer the BEST HOME VALUE in the Nashville market, regardless of price range.
- As a part of their continued effort to add value, The Jones Company now builds all of their homes according to the NAHB's Green Building and ENERGY STAR® standards. ENERGY STAR® qualified new homes are substantially more energy efficient than homes built to the minimum code requirements, which equals lower utility bills. AND they make going green easy, with no added expense to the buyer.

TRACK RECORD

- The Jones Company has been building homes since 1927.
- The Jones Company ranks among the top five percent of national homebuilders in homeowner referrals
- The Jones Company's homes have an excellent history of short listing times and high percentage of asking price, meaning excellent "resale-ability" for you.

PEOPLE

- The Jones Company's Management Team is a group of well-trained professionals with over 200 years worth of combined experience.

LOCATION

- As part of the added "value" we build into our neighborhoods, we work hard to select only the best locations in Middle Tennessee; building communities that offer great area amenities, and top-notch schools.

SELECTION

- The Jones Company offers several distinctive home "collections" from the low \$200's to the \$700's, designed to appeal to virtually every lifestyle.

SERVICE

- The Jones Company has its own in-house Warranty Department, to serve you after the sale.

COMMUNITY INVOLVEMENT

- The Jones Company's homes have an excellent history of short listing times and high percentage of asking price, meaning excellent "resale-ability" for you.
